

# Wellness Screens

# Protective barriers for your employees and customers

Provide your employees and customers with a protective barrier to help prevent the spread of viruses like COVID-19. Designed to integrate into reception, open plan offices and point of sale areas. Made from clear acrylic, these screens are easy to wipe clean and sanitize to help maintain a healthy environment. Several mounting options allow the screens to be easily secured and removed without damaging the existing furniture or used as a permanent fixture.

## KEY FEATURES
